DESIGNER MAT UPGRADE FEATURING THE TUSCAN COLLECTION

A unique upgrade option to the Designer Collection, a fillet which is small narrow strip of molding that frames the inside edge of the mat. The effect is that of a double framed piece. A fillet raises the elegance and sophistication of the finished piece.

Product Highlights

- 25 coordinating mat & fillet options
- Elegant upgrade to any framed product
- Rich in color and add an extra touch of class to your images

DESIGNER MAT UPGRADE FEATURING THE RAPHAEL COLLECTION

This upgrade feature takes the fillet edge and adds an additional matching mat layer that separates the wood fillet from the image

Product Highlights

- The Tuscan Mat taken one step further
- Additional under-matting enables the look of a floating print
- Comes complete with self adhesive floating board
- Tear the edges of your print for that added artistic look
